The image shows the header of a newsletter. At the top is the JUKI logo in blue. Below it is the text "In the News" in a large, brown, serif font. To the left of the text is a safety pin icon, and to the right is a small illustration of a sewing machine and pins. Below the main title is a blue banner with the text "June 2018 NEWSLETTER" in white.

Release of Quilters Creative Touch Upgrade

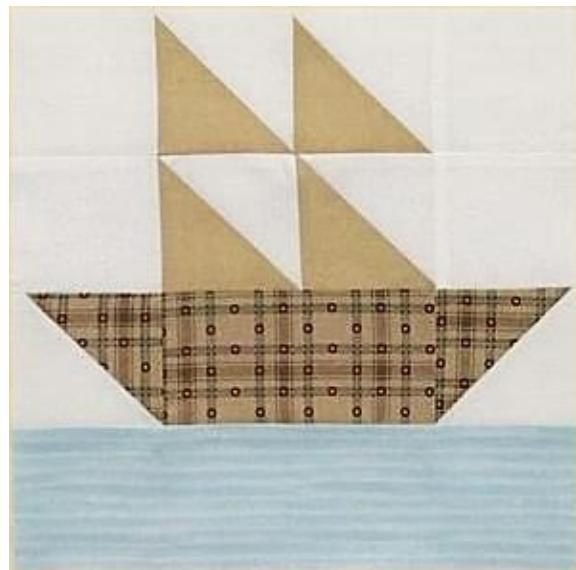

The image is a screenshot of the Quilter's Creative Touch Pro software. The main window has a blue header with the JUKI logo and "Design & Create" on the left, and "Quilter's Creative Touch For The Pro" in the center. On the right, there are icons for "Print", "Pattern/Pantograph", "Quilt Layout", and "Record". A "Help Menu" is open in the center, showing options: "About", "Help Topics", "License Agreement", "Software Updates", "Select Sewing Machine", "Options", and "Quilt Layout".

After many revisions, tweaks, and testing the official JUKI release of QCT4 is ready! Yes, this is a free upgrade even if you have QCT4 already. You will want to check to insure you have the most current revision. You will need to be connected to the internet. Additionally, you can check at anytime to see if you are current with the most up to date JUKI QCT4. Click the link below to read or print a PDF with upgrade instructions.

Make it!

See Mingi Jung at OSQE Arlington!

Mingi Jung is a Korean artist that specializes in creating portraits using the JUKI TL-2010Q straight stitch sewing machine, the high speed J-150QVP, and the TL-2200QVP longarm.

During OSQE Arlington, you will have a chance to see Mingi Jung create portraits and other illustrations live! Pass by booth 513, June 7-9, 2018.

Free motion quilt with ease!

Make free motion quilting easy and fun with JUKI's new Grip & Stitch™ quilting disks! Each pack comes with two different sized disks that provide outstanding support. With the larger disk in your left hand and the smaller disk in your right hand, place the disks on top of your quilt and begin quilting. Create funky spirals, beautiful feathers, and more!

Quick Guide: Match your needle size with your fabric type!

NEEDLE, FABRIC, THREAD SELECTION GUIDE

NEEDLE SIZE	FABRICS	THREAD
9-11(65-75)	Lightweight fabrics-thin cottons, voile, serge, silk, muslin, Qiana, interlocks, cotton knits, tricots, jerseys, crepes, woven polyester, shirt & blouse fabrics.	Light-duty thread in cotton, nylon or polyester.
12(80)	Medium weight fabrics-cotton, satin, kettleclothe, sailcloth, double knits, lightweight woollens.	Most threads sold are medium size and suitable for these fabrics and needle sizes.
14(90)	Medium weight fabrics-cotton duck, woolen, heavier knits, terrycloth, denims.	Use polyester threads on synthetic materials and cotton on natural woven fabrics for best results. Always use the same thread on top and bottom.
16(100)	Heavyweight fabrics-canvas, woolens, outdoor tent and quilted fabrics, denims, upholstery material (light to medium).	
18(110)	Heavy woollens, overcoat fabrics, upholstery fabrics, some leathers and vinyls.	Heavy duty thread, carpet thread. (Use heavy foot pressure-large numbers.)

IMPORTANT: Match needle size to thread size and weight of fabric

It's time for a show!
